

DOE Order 151.1A
"Comprehensive Emergency Management System"

Performance Based Contracts: Order Review
Panel Decision On Team Report Recommendations

The Panel has reviewed the subject report and has disposed of the recommendation contained therein as follows.

We concur in the team report recommendation, which is to revise the CRD taking into account post-September 11 Federal directives and all contractor responsibilities. Your revisions should produce a more streamlined, less bureaucratic document and result in a more efficient process.
